Daily Camp Schedule:

Miriam Piland-Rice, LPGA Class A Certified Instructor and US Kids Top 50 Master Instructor has been teaching and building junior programs since the fall of 2012. She has been working alongside British PGA Chris Holmes, Cheryl Anderson LPGA class A, and other Top World and Nationally ranked PGA and LPGA Instructors.

The focus of learning while having fun, being safe, and creating new friendships is just as important to the program as the independence each child gains through our program. We focus not only on the fundamental components of the various golf skills but also on our juniors' psychological and developmental aspects. Physical health and well-being are crucial to being a well-rounded golfer. Our goal is not only to grow the gold skills the juniors will need but the independent ownership of their game. It is through positive feedback that our juniors receive from one another and our staff that create a safe learning environment.

Our program is tailored to fit our juniors, regardless of age, developmental level, and skill.

Morning 9:00 – 12:00 (Full Day and Half Day)

Juniors will meet at the fountain each day. They will be focusing on developing golf skills on full swing, pitching, chipping, putting, course management, rules, and etiquette.

Afternoon 12:00 – 3:00 (Full Day only)

After the morning session, juniors will have lunch at the golf course and then finish their day with swimming at the pool. Parents will pick up at the pool.

Lunch may be brought in or purchased for \$10/day from the club. Options: Hot Dog, Chicken Fingers, Cheese/Hamburger, grilled cheese, PBJ, and Pizza. Served with Chips.
